Health Samvaad: Quarterly Health Newsletter

Department of Health & Family, GNCT of Delhi

The Directorate of Family Welfare (DFW), Department of Health & Family Welfare, GNCT of Delhi, successfully released the inaugural edition of Health Samvaad—the first-ever quarterly health newsletter of the Department—at a formal launch event held at the Main Auditorium, Delhi Secretariat.

The launch marked an important milestone in strengthening institutional documentation and knowledge sharing within the public health system. The event was graced by the presence of former Directors DFW, Dr. Monica Rana and Dr. D.K. Dewan, along with current senior functionaries including the Director, DHS Dr. Vatsala Aggarwal and Director, AYUSH Dr Yogita Munjal, reflecting the collaborative and inclusive spirit of this initiative. Director DFW, Dr A. G Radhika shared the overview and objectives of institutionalizing newsletter for Department of Health & Family Welfare.

The programme witnessed active participation from officials of all 11 districts, programme representatives, and ASHA workers from various districts, underscoring the newsletter's objective of representing voices from across all levels of the health system. The launch was organised in collaboration with the Maternal Health Section as part of the Safe Motherhood initiative and saw a gathering of approximately 100 participants.

Although the Hon'ble Health Minister could not attend the event due to the extension of the Vidhan Sabha session, he conveyed his sincere best wishes for the successful launch and future growth of Health Samvaad. The initiative also received encouraging messages and congratulations from the Secretary (Health & Family Welfare) and Mission Director, further motivating the team involved.

The launch of Health Samvaad signifies the Department's commitment to fostering a culture of documentation, reflection, learning, and cross-sharing of good practices, and the Directorate looks forward to nurturing this platform in the coming editions.
